

Dear Mr. & Mme Buchs-Favre,

I wanted to let you know how much we had enjoyed our recent 12 day stay in the Bella Tola hotel. We appreciated so much the lovely ambience of the hotel, the spacious lounge areas, the fresh flowers, the wonderful "wellness" suite, the varied and balanced menus and the high standard of bedroom cleaning. In particular we enjoyed the personal welcome you extend; it is obvious that you both give a lot of yourselves to the project.

For guests, it all makes for a very comfortable, relaxing base from which to explore the St. Luc area. We have returned much fitter, more relaxed and ready to tackle a busy autumn. I hope sometime we might make a third visit!

Please excuse my writing in English — but your English is much superior to my rusty French.....

Yours sincerely,

Elyzith Hogg.
